Professional Summary

Motivated Information Technology student with a strong interest in Web Development and Full Stack Development. Passionate about applying technical knowledge to develop practical solutions through projects and internships. Experienced in building web-based applications and exploring AI-driven systems for real-world problem solving.

Education

Vignan's Institute of Information Technology	2024–2028
Bachelor of Technology in Information Technology	CGPA: 9.20
Sri Chaitanya Junior College	2022–2024
Intermediate (MPC)	Score: 91%
Z.P.H School Gadelavalasa	
Secondary School (SSC)	Score: 88%

Internships

AI-ML Virtual Internship Jul2025–Sep2025

AICTE & EduSkills Foundation, Google for Developers

- Studied core concepts of Artificial Intelligence and Machine Learning including supervised learning and model evaluation.
- Completed hands-on exercises in data preprocessing and model development.

Web Development Intern

Thiranex

- Developed responsive websites using HTML, CSS, JavaScript, and Bootstrap.
- Worked on front-end development and UI design.
- Used GitHub for project management and version control.

Projects

Tailor's Assistant

- The Tailors Assistant is an AI-powered web app for tailors, automating measurements, orders, calculations, and dashboard via natural language for efficiency.
- Link: <https://tailor-assistant-one.vercel.app>

Online Hospital Appointment Booking system

- Developed a hospital appointment booking website using HTML, CSS, JavaScript, and Bootstrap.
- Enabled users to book and manage appointments online.
- Link: <https://hospitalbooking.pythonanywhere.com/>

Technical Skills

Programming Languages

C, Python, JavaScript

Web Technologies

HTML, CSS, JavaScript

Core Concepts : Problem Solving **Tools & Platforms** GitHub, VS Code

Certifications

C Essentials 1

Cisco Networking Academy

- Covered programming fundamentals including data types, control structures, functions, and basic program development in C.

AI-ML Virtual Internship | AICTE

- Completed a 10 weeks **AI-ML Virtual internship** under **AICTE & EduSkills** , gaining hands-on experience in machine learning concepts and applications.

Python Essentials 1

Cisco Networking Academy

- Covered programming fundamentals including data types, control structures, functions, and basic program development in Python.

Python Essentials 2

Cisco Networking Academy

- Covered programming fundamentals including data types, control structures, functions, and basic program development in Python.

Web development intern | Thiranex

- Successfully completed a Web Development Internship at Thiranex, gaining hands-on experience in HTML, CSS, JavaScript, Bootstrap and GitHub.
